CREATIVE EXPERIENCE

Squarewave, LLC; Watertown, MA; September 2009 – Present

Senior Multimedia Developer

- Lead motion design and execute production for digital campaigns, creating assets for social media, web ads, email campaigns, and marketing collateral.
- Produce motion graphic ads, video editing, and animation for global ad agencies and Fortune 100 clients, including work optimized for platforms like Instagram, TikTok, and YouTube.
- Collaborate closely with clients to develop brand guidelines, animation principles, and visual frameworks to enhance storytelling and align with the brand's voice.
- Successfully manage tight deadlines and deliver creative solutions that drive audience engagement and maximize brand impact.
- Maintain current on industry trends, motion design techniques, and emerging technologies to ensure top-tier design execution.

Ichamp; Boston, MA; November 2012 – July 2014

Consultant – Contractor

- Designed and developed visual identity and user experience for a startup, www.ichamp.io, an athletic coaching app that ultimately was unable to achieve funding.

Berklee College of Music; Boston, MA; March 2008 – August 2009

Multimedia Developer/Designer - Contractor

- Designed and developed interactive animations, video components, and educational media to support Berklee's online music education program.
- Created script-based animations to aid in the storytelling of music education and history for Berklee's "Pulse" program: an online interactive music education program geared towards underprivileged teens: pulse.berklee.edu

PAST EXPERIENCE

Attorney; Connecticut, Massachusetts, and Alabama; pre-March 2008

- Bar licensed in three states and two federal courts: practicing litigation, tax planning, and transactional law, requiring detail oriented problem solving, accountability and relationship management.
